

News You Can Use...09.11.17

Good Evening,

It was a terrific first four days of school. I'm so glad to have each and every one of our students back in the building. Last week students learned routines and procedures for their classrooms, the hallways, the lunchroom, and the playground as well as how to evacuate the building in case of fire. The students were also introduced to "Buster's Dozen" which are a set of expectations that all members of the Barstow Elementary Community will adhere to because it's the right thing to do. I've included them in this email for your reference.

Next week students will continue to practice routines and procedures as well as learn how to stay safe in event of a storm by using Drop, Cover, and Hold. Students in grades 4 and 5 will also attend a presentation by Student Services to review the Student Code of Conduct.

All students are asked to show their pride for the USA on Monday, September 11th by wearing Red, White, and Blue.

DARE Program for 5th graders has been canceled for this year. It may be available to students next year as an afterschool club.

To the parents of 4th and 5th graders—if your student has their recorder and purple book from music last year, please bring them to the music room before September 22nd and receive a prize! If you need to order a recorder or a book, forms will be coming home soon!

To the parents of 3rd, 4th and 5th graders—chorus starts this week!!! Email Ms. Griese if you have any questions @ grieses@calvertnet.k12.md.us.

School Picture Day has been rescheduled to October 9th.
