Library Media Update

Does my child have a book? Students check out one book every week and can renew on a weekly basis. If you ever have a question about the status of your child's account or a lost book please send an email to Dr. Sanchez at sanchezm@calvertnet.k12.md.us

Volunteer in the Media Center! Each morning students return a cart of books from their classroom. Volunteers are needed to help students unload carts, scan returned books, and then place them in the correct category on the distribution cart, before placing them back on the shelves. There may also be other jobs such as sorting materials or making copies.

First of all, thank you for submitting your name for the library media volunteer list! The library is a very special place where kids come to fulfill their passion for learning, reading, books, and technology. We are thrilled that you can join us! Each morning students return a cart of books from their classroom. Volunteers are needed to help students unload carts, scan returned books, and then place them in the correct category on the distribution cart, before placing them back on the shelves. There may also be other jobs such as sorting materials or making copies.

Picture Retakes are on Monday, November 20. If you purchased a package and would like to have your student's picture retaken please return the original photo package, including the envelope and all picture products.

All students who enrolled after individual pictures on September 12 will have their picture taken by the photographer so they can be included in the year book. Those families who wish to purchase photos can print the attachment and send in their payment on the day of retakes.

Contact the school office with any questions.
